## Other Hauntings: Popcorn Horror

In addition to Halloween Haiku II, I've also been reading some other great horror stories lately. Here are a few of my favorites:

- **Popcorn Horror** by Grady Hendrix: This novel is a love letter to the slasher films of the 1980s. It's a fun and gory read that will keep you

on the edge of your seat.

- **The Only Good Indians** by Stephen Graham Jones: This novel is a dark and atmospheric tale about a group of Native American men who are haunted by the ghosts of their past. It's a powerful and thought-provoking read.
- **Mexican Gothic** by Silvia Moreno-Garcia: This novel is a gothic horror story set in 1950s Mexico. It's a beautifully written and atmospheric novel that will stay with you long after you finish it.
