

# The Brave and the Bold 1955-1983 #130: An In-Depth Look

The Brave and the Bold was an American comic book series featuring the team-up of Batman and various other DC Comics superheroes. It was published by DC Comics from 1955 to 1983, and again from 2007 to 2010. The series was notable for its rotating cast of guest stars, which included some of DC's most popular characters, such as Superman, Wonder Woman, Green Lantern, and the Flash.

Issue #130 of The Brave and the Bold was published in March 1977. The issue featured a team-up between Batman and the Atom, and was written by Bob Haney and drawn by Jim Aparo.

The issue begins with Batman and the Atom investigating a series of robberies at a local museum. The robbers are using a shrinking ray to steal valuable artifacts. Batman and the Atom track the robbers to their hideout, where they discover that they are led by the villainous Doctor Phosphorus.
